Dear Dennis,

Here is what I have. The actual money and estimates will have to come from John Stott. I apologize for the mess, and the odd stuff is, of course, the unclaimed lost and found. Since I am moving, getting the stuff truly organized seems beyond my capacity at the moment, and the stuff I got from Ann Arbor was just loose. It is included.

Oak Apple's new squire is Casey Garhart, 1005 Sherman Ave, Madison WI 53703. Her phone is (608) 257 0658, and her Email is INTERNET:garhart@joiner.com

As for us, I have enclosed our change of address card. Please send us your Ale mailings...we wouldn't miss one of your splendid parties for anything. We expect to be coming and bringing Dotty, who has moved to Santa Cruz. Oak Apple West, we call it.

Best Love, and Have Fun with your Ale... we did!

Barbara
