

Midwest Morris Ale

WELCOME TO THE LAND OF LAKES!

To reach the camp site for the 1985 Midwest Morris Ale, take Interstate 35 (from North or South) or Interstate 94 (from East or West) to Interstate 494. Head West (or South) on I-494 until you reach U.S. Highway 12. Driving West on Highway 12, this map should help you find the camp.

1. Drive West on Highway 12 about two miles to (Hennepin) County Road 15. If you exit from Highway 12 too soon (about 1.5 miles west of I-494) you will probably be headed East on Co. Rd. 15. You want to be headed West. (Co. Rd. 15 joins Highway 12 for about one-half mile.)

2. Drive West on Co. Rd. 15 around Lake Minnetonka until you reach the town of Mound.

3. In Mound you will reach an intersection where you will have to turn. Take a right turn and, almost immediately (at the gas station), a left turn. Co. Rd. 15 briefly joins Co. Rd. 110, but this is really just a jog in the road.

4. Continue heading West on Co. Rd. 15 until you reach the camp, the Outdoor Education Center of the Boys' Club. It is about 1.7 miles West of Mound. The driveway is on the right (North) side of the road. The actual address is 7000 County Road 15.
