

Notes on the registration form

Show dances: There will be three opportunities to show dances for the whole group, so you can opt to do anywhere from 0 – 3 show dances. Veterans of the Gold Hill camp will be pleased to know that we've decided NOT to schedule a massed dance at the camp. The ankles we save may be our own! Note that the Sunday afternoon show dance will be at around 8,000 feet.

Age range: Check the box under the age range for each person. We've split out the 13-17 year old contingent just to have an idea of how many in that age range will be coming. We're working on getting someone to supervise the non-dancing kids during the contra dance on Saturday night.

Lodging: Put an X under one of tent, lodge, or cabin. Also mark the box labeled F for the family cabin or the box labeled W for the possible women-only cabin, if you want one of these choices. All of the indoor lodging is the same price, but different choices have different pros and cons. We'll do our best to get everyone in their first-choice arrangement. Here's the scoop on each:

- *Lodge rooms:* There are several multi-bunk rooms on the second floor of the lodge itself (just under the upstairs dance floor). These are ideal for those who plan on partying and dancing very late into the night. These rooms have central heating and so will be relatively warm regardless of the weather. The downsides are the late-night noise and no indoor toilets. Showers are in the basement of the lodge.
- *Cabin rooms:* These are in rustic log cabins a short walk from the main lodge. There are woodstoves for warmth at night, but no insulation. The advantages are quiet and indoor toilets/showers. We are setting one cabin aside for families with kids. If there is sufficient interest, we will reserve one cabin for women only.

Unaccompanied minors: If any minors will be attending without their parent or legal guardian, we will need a form filled out in advance. Please contact your Alewife, Nancy Sauer.

Food: Choose omnivore, veggie (includes eggs and dairy), or vegan. For those of you who "go both ways," please think about how you are likely to eat most of the time at the Ale, then abide by that choice. It's not nice when vegetarians go hungry because meat-eaters think the veggie option looks better.

T-shirts: We will be ordering short-sleeve shirts in sizes S, M, L, XL, and XXL. Just mark the size of the shirt in the blank. If someone wants to order a second shirt for some reason, use an extra line, giving only the t-shirt size. We will not order extra shirts—if you want one, order it ahead of time!
