Rain Space for Mass Dances: South Boulder Rec Center is willing to let us rent a gym for the mass dances. Kim is checking to be sure there are no volleyball tournaments that day.

## Notes:

- Salberg Park indoor space only accommodates 50 people.
- Park permits are only for up to 100 people. At South Boulder Park, we have the soccer fields rented for the mass dance. At North Boulder Park, we have the softball fields rented for the mass dance.
- Groups of 50 or less do not need permits for the parks. As long as our music does not break any noise ordinances (is not amplified), we should not need permits for any of the other parks.
- Anne will check Monday with the Sculpture Garden people to be sure we can dance there.

Blue items are not confirmed.
