Dear Fellow Morris Dancers:

Finally, I have had a chance to work on wrapping up the 1995 Midwest Morris Ale. In my defense I can only say that launching my own business has kept me busy! Enclosed you will find a list of items found at camp. If any of your possessions are listed you can either have them sent to you (reimburse me promptly please!) or you can pick them up at the next Ale. Any unclaimed items will go to Goodwill. In addition, the various Ale committees did such a good job of being frugal that the Ale wound up with a surplus. At the Squire's Meeting all recent Ale hosts agreed that the seed money needs to be increased, so I will be adding \$480.30 to the seed money (total is \$1480.63). The remainder is being refunded to all known attendees. Adults receive \$4.00 and children (6-12yrs) receive \$2.00. According to our records the people listed below attended the Ale. A total refund of \$\_\_\_\_\_ is enclosed. Please distribute accordingly.
