## TOURS I and II

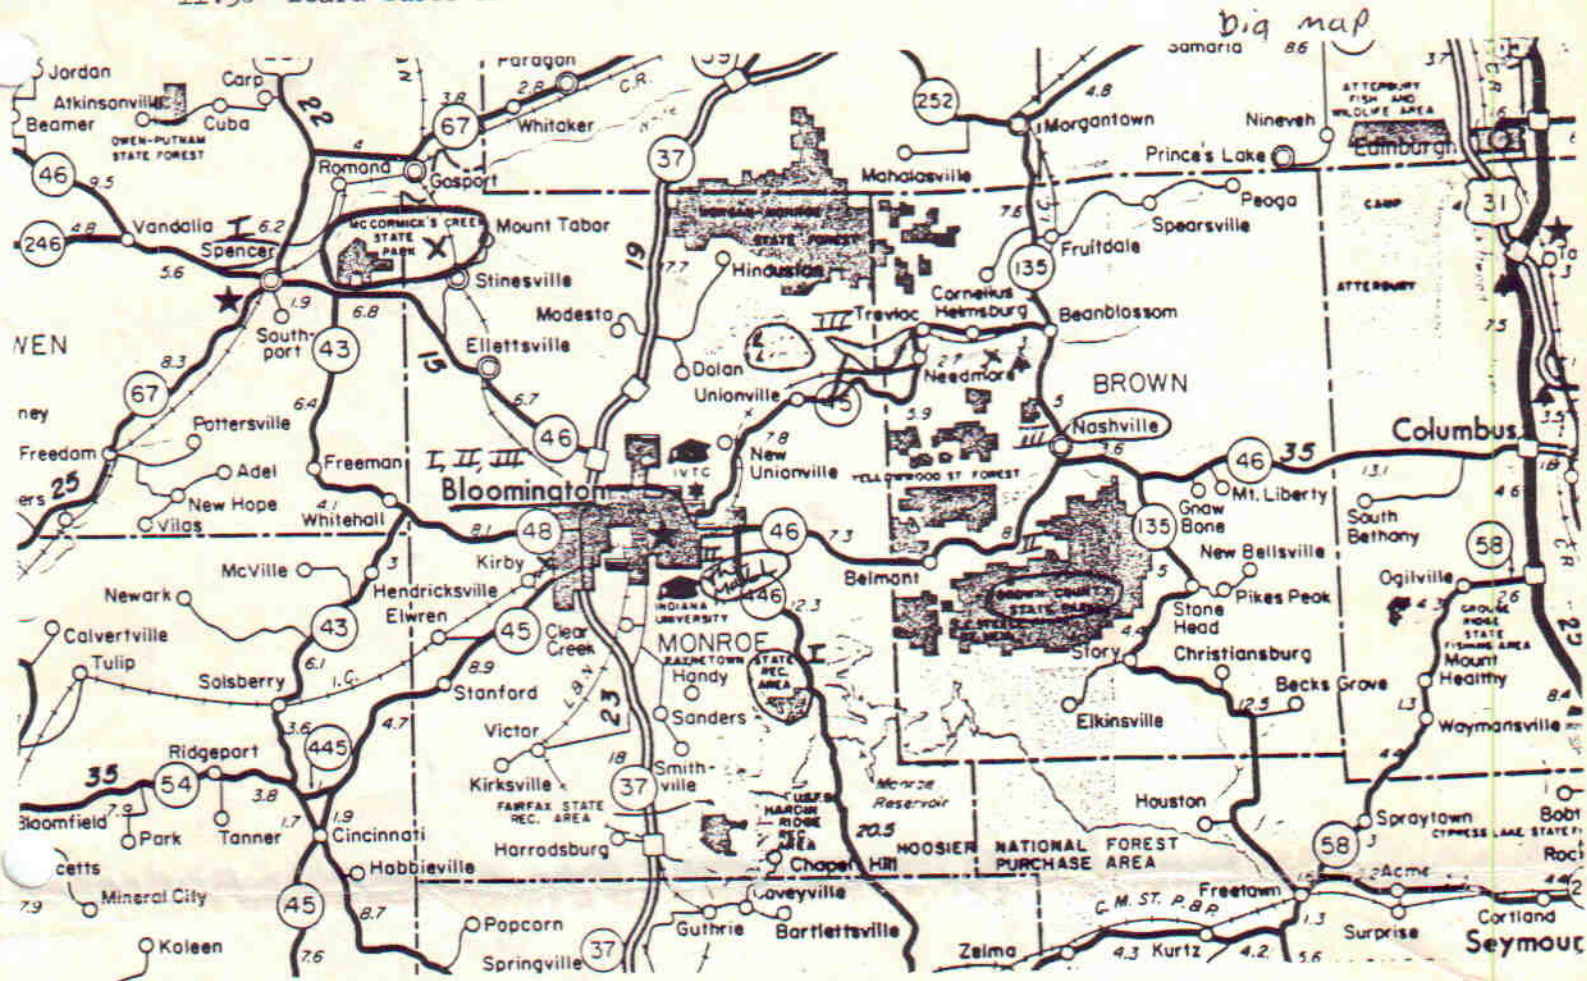

Routes thru B'ton - SR 46 from Spencer and McCormicks Creek turns and joins the SR 37 bypass around Bloomington. Do not take that turn. Instead, stay on the straight and narrow. After 46 leaves it, the road in from Spencer eventually becomes 17th St. Follow 17th to College Ave. (the first light) and turn right to go downtown. College Ave. goes downtown to the square where TOUR II will dance. TOUR I will turn left at the Courthouse onto Kirkwood (not the one-way St., but the next). Go five blocks to the cute little liberated park on the corner - Peoples Park. Disembark and dance for the folks.

TOURS I and II will both proceed south two blocks to 3rd St. and turn left (east). Note that at Dunn, eastbound traffic on 3rd turns right and loops over to Atwater. It will regain 3rd. Follow it on to your next destination.
