

Available at Ale for all -

THINGS TO KNOW

(About the 1990 Midwest Morris Ale that is)

- 1) Wood fires are allowed in the fire circles (ring of stones).
Get wood from woodshed. Please make sure fire is put out before leaving area.
- 2) No smoking in buildings, tent platforms or wooden decks (one deck burnt down last year I'm told).
- 3) The camp people say there might be poison ivy. "Stay away from leaves of three" (actually each leaf is composed of three leaflets).
- 4) The lodge will be the communications center. Look there for notices of any schedule changes, lost and found, announcements, pictures from last ale (if anyone brought some), etc. Do not ask for whom the bell tolls, it's dinner time (hint hint).
- 5) Phones - there are three phone numbers.
Lodge & Edgewood & Phone answering machine - 433-3446
Mary Randall Troophouse - 433-5568
Lakamaga Troophouse - 433-3949
Camp manager - 433-3453
(His name is Alton Kalsnes, only call him if no one from the ale can be reached)

Please make any outgoing long distance calls collect or charged to your home phone or else the camp will bill us. The phone machine will be on during times we are not in camp or busy. Any messages will be posted on the board in the lodge.

- 6) Each toilet area should have enough T-paper. If not the supply building has some.
- 7) There is one open air (but screened view) group shower (plenty of hot water though). For those who prefer not to be "in the buff in the bush" there is limited shower facilities (in number) in the Lakamaga Troophouse.
- 8) Keep the camp clean - both during and after. If garbage cans get full empty them in the dumpster. Extra garbage bags in supply building. Please help us clean up on Monday by leaving your lodgings in the same state you found them in - hopefully clean and neat (this is a girl scout camp after all!).
- 9) Have fun and don't do anything I won't do (or if you do have fun doing it). If you have any questions ask for Jan Schlamp, Mike Shewmaker, or Tom Barnes (the handsome guy in the beard and greek fisherman's hat). We do have some extras of "things people forget" (sleeping bags, etc).

" Eating and drinking, they're so charming
Dancing and singing, there's no harm in
All these things we takes delight in
While we are together "

- WASH STAND
- GRAVEL ROAD
- CABIN
- * TENT PLATFORM
- ▲ KITCHEN UNIT
- LATRINE
- FLAG POLE
- BUILDING
