Attached Message

Hi Folks,

It's almost that time! The **tour schedule** has been posted here:

<http://www.pclink.com/allchin/morris/>

The specific **pickup times & drivers** have been posted here:

<http://www.mninter.net/~tanithk/AlePickup.htm>

Flying Pickup Instructions

When you arrive, we will not meet you at the plane. Go to the Lower Level to Baggage Claim to collect your luggage, then wait by Door 1 (across from baggage carousel 12). A car with some kind of Morris insignia will appear at the curb. Please keep an eye out for it, as the driver cannot leave the car.

I allowed at least 30 minutes from arrival time to pick-up time; the drivers know who they are picking up & will wait for a bit if someone is not there yet. A few travellers have to wait somewhat longer because of driver availability & grouping people in different cars; I apologize for the waits - there are some great shops at the airport, though.

If your ride does not appear within 30 minutes of the pickup time (it is rush hour Memorial Day weekend...), or you know you cannot make your pickup time for any reason,

call **Derek at 612-296-8726** and he will make appropriate arrangements.

This is his new cell phone; if no one answers it will roll over to voicemail.

Please **do** leave a message, as he will be checking it frequently.

You can also reach me (Tanith) at 612-790-3343 (a borrowed cell phone, not useful after the Ale).

Driving Directions

From Minneapolis or St. Paul:

Take I-35 (W or E, doesn't matter - they meet) North to Exit 132 Hwy 8 East - marked Taylor's Falls.

Take Hwy 8 East 4-5 miles to Chisago Cty Rd 23. Take the 45° right turn, not the sharp right. Cty 23 is also called Green Lake Tr.

Go about 5 miles. It becomes Cty 24 (Old Towne Rd) at some point; you don't really notice the transition; keep going. You will curve around a lake on the left and pass the Junction with Hwy 83 shortly before you get to the camp.

Turn left on 279th St at the Camp Ojiketa sign (it is kind of hidden by trees on the left).

Go 2 blocks & turn left on Kirby Ave. at the Dead End sign. Go forward, past Ridge Pointe Blvd, and onto a gravel road into camp. There will be signs to direct you to registration, in Strom Hall.

Here are some indications that you have gone too far & missed the camp sign (or if you take Hwy 8 all the way into Chisago City, you can reverse these to get to the camp from that direction):

- Immediately past the camp sign on the right is Zion Evangelical Lutheran Church.
- 1/4 mile past the camp is the Chisago City 1st School House sign and Chisago Lakes City School.
- 3/4 mile past the camp sign is Point Pleasant Heights Retirement Community.
- 1 1/2 miles past the camp is a stop sign, & then the stop light at the Hwy 8 intersection.
