Re: Midwest Ale Tours -1985- Suggestions

1. I strongly urge you to set up two different "days" of touring, one out of the cities and the other in the cities. This actually means two afternoons of touring.
2. I strongly urge scheduling of workshops for Monday morning so as to avoid a conflict with touring. (c.f. Marlboro 1979<sup>+1980</sup> Schedules)
3. Consider tour stops at old-folks and convalescent homes for a very appreciative audience.
