

SPRING 99

Dear Ken:

I appended the new culpa note from
Himelgott to Ann Arbor. The Ann Arbor ⁷⁶pages
were sent to us in late August '98.

Madison pays (which are very good) were
not in the book till I filed them this
morning - I can't recall whether they
came at last year's Me, or maybe a little
before. And there is a divider for
Boulder, but not much in the section.

Since it seems to have become the custom
to sneak the pages in much later,
perhaps you should start the precedent
of bundling the books over at
the Me. I dunno.

Anyway, mea culpa, and
good luck!

Sharon
