

one for each person

CAMP NOTES:

Welcome to Camp Easter Seals. The Easter Seals administration have been very accommodating and pleasant to work with. Any notes of thanks can be left in the suggestion box at the front desk.

Keep Camp Easter Seals Beautiful. Please do your part by cleaning your area before leaving. Any help in keeping the camp clean during the weekend would be appreciated. *(We told the camp director that Morris dancers always left an area better than they found it. Thank you in advance for your help in making this a true statement).*

Smoking is not allowed in any of the buildings. 'Butt cans are provided on the brown lodge patio and on the deck of the blue lodge. Dispose of all cigarette butts properly; please do not litter the grounds with your cigarettes.

A **Child Care** contact sheet is posted at the check-in desk. Please find each other if you are interested in arranging child care.

Cabin showers are big - so save water and shower with a friend or two. There are also showers in the basement of the brown lodge. Go down the ramp and there they are; extra restrooms here too. (If you shed a lot of hair, after showering kindly clean the drain - thank you thank you thank you.)

Noteworthy facts: Although we are spittin' distance to the Big Blue River, it is highly advised that you not swim in it. Chemical run-off from area farms is high at this time of year and may cause unpleasant skin reactions, etc. (there may be leaches too). There is a pool on site, and if we have a willing life guard and if the weather is suitable, we might be allowed to use it. Parents be aware that the river is nearby as are railroad tracks.

Listen to our daily announcements and check the bulletin board for information about what's happening at the Midwest Morris Ale.

DISCLAIMER:

Mistakes, we've made a few...but then again, too few to mention...

We did our darn'dest to put on a good ale. Sometimes the magic works and sometimes it doesn't. Tell us (nicely) if you have a problem and we will do our best to make it better.
