

# 15th Annual Midwest Morris Ale Final Details

**SITE:**

Smoking: No smoking is allowed in any structures. When smoking outside, please field strip your cigarettes for disposal in a proper container.

Quiet Area: The area by Bluebird Circle Cabins will be the quiet area.

Swimming: There is no swimming on the camp grounds, but 1/2 mile away on Highway 41, there is swimming in Lake Minnewashta. This is Lake Minnewashta Regional Park, and there will be a small fee to enter the park area.

Fire Ring: The amphitheater below the mansion has a fire ring. The camp will provide firewood.

Phones: There is a phone available in the dining hall for local or credit card use. Please do not make long distance calls that will be charged to the camp.

**CONTACT/  
EMERGENCY  
PHONE  
NUMBERS**

The camp director's number is (612) 474- 8085. This number can be given to anyone who might need to contact you during the Ale.

**TOUR BUS:**

Minnesota State Law says that all children under the **age of 4** must be in a car seat. If you have a child under the age of 4 that will be riding on the tour bus, you must provide a car seat. To obtain straps to strap the car seat to the bus seat, go to your assigned bus and ask the driver for straps. Those who have reserved straps will get them first. The rest will be handed out on a first come, first serve basis.

**CHILD CARE:**

Child care will be guaranteed for all of the people who pre-registered. Snacks will be provided for the children. Please send a comfort article, such as a blanket, pillow, or stuffed toy, with your child. You may drop the children off at the family mansion 15 minutes before the buses load, or 15 minutes before the skits and contra dance start. During the day, please apply sunscreen to your child before dropping him/her off.

**FIRST AID:**

If you have first aid training, please let the people at the Registration Table know Friday night.

**BUGS:**

Ticks: This area is known to have Lyme-disease carrying deer ticks. See the enclosed information card. We recommend everyone practice good grooming behavior.

Mosquitoes: Although not invited, they do have a tendency to invade (rather like ants at a picnic.) We highly recommend any treatment you can find.
