Greetings from Minnesota:

Yes, Virginia, there is going to be a Midwest Morris Ale in Minnesota. We have reserved beautiful Camp Lakamaga, located near Scandia, about 45 minutes north of the Twin Cities. The camp consists of 168 heavily wooded acres on Big Marine Lake and it's gorgeous! It is conveniently located close to a number of smaller communities for touring without lengthy bus rides.

Due to folk dancing connections with the Program Director of the local Girl Scout Council, we were able to get the camp for an exceptionally low price. As a result, we expect the Ale fee this year to be no higher than \$45, and may be even lower (with careful budgeting and your response of high numbers of attendees!).

To help us plan, we need to know your plans. Will you be able to join us for all the fun and frivolity on May 25-28, 1990? Please return the enclosed postcard by February 1 or as soon after as is possible. Note that individuals and partial teams are welcome to attend, too.

Hope to see you all there!

Capers!!
